

BIKE 2

THE FALLS RUN

Ancaster / Aldershot

Connection Points:

Ancaster (Wilson St/Fiddler's Green Rd/
Lovers Lane);

Aldershot (Aldershot GO/VIA Station at
Waterdown Rd / Hwy 403)

Distance:

29 km (3 hrs leisurely)

Route Design:

MODERATE

Paved on-road, but for 500m of gravel on
Binkley Rd; Two escarpment climbs

Take care riding up the escarpment:

As you scale the escarpment, don't get
intimidated, just do it "smooth and slow".
Use low gears, a slow pace and patience.
A bike with a triple chain-ring in front makes
it quite easy for most people. Going down?
Be sure to maintain control at all times.
